Endowment Fund

The College's Endowment Fund was created in 2002 in order to provide future assistance to enable talented children who would not otherwise be able to join the College. It takes the form of an entirely voluntary donation by parents for a suggested amount of £50 per term, per family. The £50 will be included on your first bill, but if you wish to opt out you need only write to the Finance Office. However, we hope that as many of you as possible will feel able to contribute. If you do, we would also ask that you complete a Gift Aid Declaration Form (available from the Finance Office) as this enables the College to reclaim the basic rate tax paid on the contributions you make. If you are a higher-rate tax payer, it will also enable you to reclaim the difference between the basic and higher rate of tax paid on the donation. The College is extremely grateful to those who are able to support the fund.

Sibling discounts	
All Schools	
Where two or more children from the same immediate family attend the College at the same time the basic fees of all the siblings will be discounted as follows.	
Two siblings attending at the same time	- 2.5%
Three siblings attending at the same time	- 7.5%
Four siblings attending at the same time	- 12.5%

Insurances

From January 2025

Some insurances are included with the basic school fees, whilst others are available to parents as optional extras.

Personal Accident Insurance

All pupils automatically covered.

This insurance provides cover in the event of a serious accident which results in permanent disability, including damage or loss of teeth and any associated dental treatment. Details of the cover provided and instructions for making claims will be available on the Parent Portal dashboard.

Travel Insurance

All pupils automatically covered.

The College has a blanket policy which covers all pupils in Senior and Prep Schools travelling with the school, which includes trips abroad and ski trips, etc. The only activities that are not covered are those classified as dangerous, such as white-water rafting and bungee jumping - and top up cover can be arranged for these if necessary. Children with pre-existing medical conditions may be covered but confirmation should always be sought from the insurers. For this reason, and in case there is a need to arrange supplemental cover, parents should always familiarise themselves with the terms of the policy in advance of any school trip.

Personal Effects Insurance

Optional/Senior School pupils automatically covered.

This insurance provides cover for damage

or loss to your child's personal belongings (except mobile phones) during term time. See the table opposite for the cost.

There are limits to the cover provided, details of which (including the excess applicable) will be available on the Parent Portal dashboard together with instructions for making claims.

Additional insurances

There are also some additional insurances and insurance-type products you may wish to consider which are available through the College under group policies with Marsh and SFS. These include:

Fees Refund Scheme

Private healthcare insurance

Application forms are sent to all new parents and are also available from the Finance Office at any time. The charges for these are collected termly in advance. The cost of mandatory personal accident insurance, including emergency dental cover, and, for Senior School pupils, personal effects insurance is included in the basic College fees.

Should you have any queries, please telephone the Finance Office on 01273 836913.

Payments and Policies

From January 2025

The College encourages payment by Direct Debit or online payment, but payment may also be made by electronic funds transfer or cheque if desired.

Online payments

For card payments please visit hppc.co.uk/about-us/fees-online-payments and quote your College account number. Please note that payment by non-personal credit cards and international debit cards may incur a surcharge.

Monthly payments

Although all fees are due on the first day of term, the College offers a monthly payment option for parents paying by Direct Debit. Under this arrangement the termly fees for the year are collected by 10 equal payments (which are set at approximately 10% of the basic annual fees) commencing on 28 July (or thereabouts) and monthly thereafter until 28 April of the following year, with a further balancing payment (to allow for extras, etc.) on 28 May. There is no charge for this arrangement.

If you would like to take advantage of this scheme (or wish to pay by termly Direct Debit), please contact the College's Bursary team (finance@hppc.co.uk) as soon as possible to request a Direct Debit mandate.
